About Us

RESL Transport Company was established in Jeddah and holds a Ministry of Transport license (No. 0078) along with all the necessary official permits to operate in the transportation sector.

Our mission is to provide efficient, high-quality, and cost-effective transportation solutions for our clients. We offer modern buses with capacities of (9, 13, 23, and 49) passengers, available through annual, monthly, and daily contracts. Additionally, we engage in other related transportation activities, ensuring diverse features and the development of safe, innovative, and fast transport solutions that align with Saudi Arabia's Vision 2030.

Our Vision & Mission

Vision:

To achieve excellence and leadership in the public and specialized transportation sector by adhering to the highest standards and providing our valued customers with sophisticated and modern services.
